

**The Arc of North Dakota**  
**Tentative Legislative Agenda**

- Downsizing the population of the Life Skills and Transition Center, especially the youth population
- New Developmental Disabilities Payment System
- Seclusion & Restraint
- Employer tax incentive – for VR clients who have had closure for inability to benefit from VR.
- Keeping Medicaid expansion
- Supported decision making
- Opposing a work requirement for Medicaid.
- Support to increase easier access to mental health services throughout North Dakota.
- Increase wages for all staff working in community DD programs.

**Interim Issues**
