

**The Arc, Upper Valley
2019 Financial Report**

November 17, 2021

The financial report that is being presented to the membership is based on the 2019 Independent Account's Compilation Report. The board of directors accepted the 2019 compilation report completed by Brady, Martz and Associates.

Total revenues were \$713,510, an increase of 37% from 2018. Total expenses were \$900,282, an increase of 30% from 2018. Copies of the financial reports for 2019 can be requested by contacting The Arc, Upper Valley.

Regarding 2020 financial reports, the 990 was completed this week. The organization choose to have a full audit of the 2020 records, and this is still ongoing. The information from these reports will be shared and accepted by the board of directors upon their completion and will be made public at that time. The organization will share this information at the 2022 Annual Meeting.

Respectfully Submitted,

Fayme Stringer Henry
Treasurer
